United States Court of Appeals

FOR THE SECOND CIRCUIT

Docket No. 75-7053-7084

WILLIAM GARAFOLA,

Plaintiff-Appellee,

—against—

F. A. DETJEN, "SAAR",

Defendant & Third Party Plaintiff,

—against—

PITTSTON STEVEDORING CORP.,

Third Party Defendant-Appellant.

Statement

All of the arguments against the granting of pre-judgment interest in this case are fully discussed and set forth in the brief of defendant and third party plaintiff, F. A. Detjen, "SAAR". There is little more, if anything, that could be added thereto by this third party defendant-appellant and no purpose would be served by merely repeating the arguments already set forth at length by the said third party plaintiff.

This honorable Court is therefore respectfully advised that the third party defendant joins in the said brief of

the third party plaintiff and most respectfully refers this Court thereto.

Respectfully submitted,
